

Rotary mower 1200

- Park Ranger 2150

Standard equipment:

Tilting for cleaning The mower can tilt up and rest on two support wheels making cleaning easy.

Extra equipment (options):

Large radiator cover Choking of the radiator grille while mowing very dry grass in dusty surroundings can be avoided by mounting the large radiator cover.

Mulch mower (kit) The rotary mower can be changed into a mulch mower with a cover placed inside the same mowing deck. Mulching creates fine trimmings, which supply the soil with natural nutrients and reduces the need of fertilisers.
